NAUGHTY TEENS HAVING IT OFF? WELL ALRIGHT THEN, IF YOU INSIST! WHY NOT DROP US A LINE IF YOU'RE A MUCKY TEENIE – OR IF YOU'VE JUST SCREWED ONE?!

MATING SEASON

My name is Jacqui and I'm a 18-year-old girl with shoulder length dark brown hair and a slim figure. For the past three months I've been having an affair with my best mate Ellie's dad, Darren. Though he's twice my age I've fancied him for a while, and we'd been doing a bit of sly flirting behind Ellie's back for ages.

I work in a building society and one sunny Saturday afternoon in the summer I'd just finished a half-day shift. I was waiting for the bus home when Darren pulled up and offered me a lift. Wearing a crisp white blouse and navy blue mini skirt, I climbed into the car.

"Fancy a shag?" I smiled as I got in, deciding that there was no point beating around the bush. My parents were away, so I suggested we drive round to my place. I have to say, he drove pretty bloody quickly, and within 10 minutes we were safely round at my place. Still fully dressed, I knelt at his feet in the living room and, after fishing out his fat swollen cock, I gave him a blow-job, sucking the head of his gorgeous dick and rubbing its sensitive underside while I wanked the base of his shaft.

Without warning his salty, sticky jism filled my mouth and gushed over my face, making me squeal in delight. My tight little fanny was in need of attention so I led him upstairs to my parents' bedroom. Darren was starkers when I laid him back on the bed and his cock sprang to life again as he watched me strip.

Naked except for black stockings, suspenders and shiny high heels, I straddled him and sank my hot wet pussy down, taking his entire length up my pink hole. As I slid my juicy shaven cunt up and down his thick shaft, Darren played with my firm little tits. Riding his stiff dick harder and faster, I pleasured myself by rubbing my clit. I'd already come at least three times before Darren groaned as he came inside me, filling my juiced up cunt with hot jism.

However, our riskiest fuck so far happened when Ellie's mum went away on a work training course. One night I stayed over at their house. I was dressed in a tiny white miniskirt and pink cropped top, Darren could hardly take his eyes off me all evening. I was sleeping in the same room as Ellie and when we went to bed we chatted for what seemed like ages. Eventually she fell asleep. Me? I was far too horny to sleep, thinking about getting Darren's hard cock inside me.

At around two in the morning, wearing just my bra and panties, I sneaked along to Darren's bedroom. He was still awake and his bedside lamp was on.

"Waiting for me, lover?" I whispered as I stripped naked. He looked stunned at seeing a naked young girl in his bedroom, especially when only the spare room separated us from his sleeping daughter. I assured him Ellie was sound to the world as I ran a hand under the bed covers and over his fit body. I squeezed his balls as I wanked his semi-hard dick. I pulled back the sheets exposing his swollen erection.

"Lick my fanny out," I said as I climbed onto the bed and sat astride his face. Pretty soon we were enjoying a 69. I ground my pussy hole into his face and nose as he pushed his tongue inside my twat and licked my clit until I came.

As Darren ate me out I sucked and tugged his stiff dick and took him to the edge of climax. When I felt a splodge of pre-come slip down my throat I got up on all

DEAR TEENS UNTAMED,

I've never written in to a magazine before, but I just had to express my appreciation for the lovely Suzie who appeared in issue 1.5. Now I love a shaven teenie cunt as much as the next perv, but there was something about Suzie and her bush that really rang my bell – that picture of her you printed on page 9 was exquisite – she looked like a young women totally at ease with her body and her sexuality – not to mention with her juicy muff! Please, let's have a bit more furry teenie fanny in the magazine from now on as well as the shaven variety!

K.F. Stoke.

DEAR TEENS UNTAMED,

I have just picked up a copy of Club Teens Untamed vol 1.5. A fine publication! Is it just me, or is Vicky the spitting image of Pippa Middleton?! I would dearly love to see her recreate how Pippa looked on the wedding day with that dress... before peeling it off! one could have a royal wank over that, could one not?

Anyway keep up the good work!

Mike, Leeds.

fours, spreading my legs and thrusting my bum in the air.

Darren got behind me and I moaned as he rammed his hard cock deep inside my hot, slippery fanny. As he pumped his solid shaft in and out of my tight pussy he rubbed my clit and fingered my tight little arsehole, making me writhe and moan in pleasure.

I wondered how Ellie would react if she woke up and caught her dad fucking me like a slut on the marital bed – that's what made the sex even more exciting. Within seconds Darren reached his limit and groaned that he was coming. I squealed as a full load of his hot, creamy jism spurted up my juicy hole and a massive orgasm rocked my body.

As he pulled out, more spunk shot over my bum cheeks and pussy lips. After I'd licked his cock clean I made my way back to Ellie's bedroom where, thankfully, she was still fast asleep.

Darren's still screwing me whenever he gets the chance and Ellie now knows that I'm getting fantastic sex from an older man. Let's just hope she never puts two and two together.
Jacqui, Aberdeen.

A hot blonde teenie, playing with her fanny? That's right – it's another issue of *Club's Teens Untamed*, and we're kicking things off in fine style with the delectably cute Vanessa, who quite frankly looks far too wholesome to be appearing in a mucky magazine! Still, we're not complaining…

"Everyone seems to think I'm 'wholesome'!" the girl herself protested when we suggested this to her. "I mean sure, I like doing fun things like playing tennis and going camping, but that doesn't mean I don't like doing naughtier things when the mood takes me!"

Naughtier things like what, exactly?

"Well, I've become a bit obsessed with sucking my boyfriend's prick. I was pretty nervous the first time I tried it, but I just love the feeling of power having a thick cock in your mouth gives me, knowing I can make him come any time I want. He seems to enjoy it as well…"

We bet he does. And if you fancy enjoying that sense of power with us, we're sure we could come to some sort of agreement!

HAPPY FINISHING SCHOOL!

WHEN YOU'VE BEEN INVITED ALONG TO WATCH THE SHOOTING OF A SCHOOL-THEMED UK ANAL TEENIE FLICK, IT'S VERY HARD TO THINK OF AN EXCUSE NOT TO GO. NOT THAT WE THOUGHT FOR LONG, OF COURSE...

ANAL FINISHING SCHOOL 3
Starring: Holly D, Isabella, Ashley, Paige, Olga, Jay Romer, Mark Sloan, Steve Hooper, Clarke Kent.
Directed By: Paul Carder.
Available From: Your local sex shop!

"Hmm, what a tie-t fit!"

This being my third assignment for Teens Untamed, I'm feeling a little less nervous than on previous outings as I approach the plush mansion being used as the location for today's shoot. I may think I'm more relaxed with the whole 'people shagging in front of you' thing, but I've been told that the film being shot today is the third in the *Anal Finishing School* series and its star is none other than Holly D, who it just so happens I've had a huge crush on ever since I first saw her. Oh, and she's shooting her first anal scene today, to boot. I should also point out that I am aware (as you will be by now if you are a regular reader) I fancy most of the porn stars I encounter, but this is different – I honestly have shot my load more than once over Holly's tight, tattooed body and I'm more than looking forward to seeing her in the flesh!

When I arrive inside, I introduce myself to the crew, make as much polite chitchat as is expected of me, then park myself at a table with a steaming cuppa that the runner hands me. I'm pleasantly surprised to learn that Paige Ashley is also shooting a scene today, as is Olga, a model I've only ever seen before in a *Razzle* spread. Both have arrived early and are sitting in the makeshift make-up area, discussing work and boyfriends over coffees as their hair and lippy gets sorted out.

Holly D, it quickly becomes clear, is actually very approachable, and I find myself returning her big grin when I first see her, despite being ever-so-slightly intimidated by how unbelievably hot she looks in her stereotypical porn-schoolgirl garb – white shirt, short blue skirt and matching tie, with long white cotton socks. Oh, and of course the crisp white panties. Black-rimmed glasses (which she really does need, fact fans!) and her long, highlighted brown hair pulled into pigtails complete the look, and Miss Holly D looks as sexy as hell!

After introducing myself to her and making a bit of small talk, the director, Paul, pulls Holly away from me as it's time to start work. I find myself a seat near the back of the room, making sure I have a clear view of the set between the light stands, monitor screen and director's chair – I'm learning, slowly. Holly makes her way onto the set,

French oral was always a popular class...

which consists of a table and chairs in a rather cold, sparse kitchen, and I feel a stirring in my groin as she flashes her white panties flirtatiously at the camera crew. Jammy sods – they're not even rolling yet. Just as that thought enters my head, I hear a bit of a laughter and turn to see British stud, Mark Sloan, swagger into the room. And who can blame him, right? I mean, he's about to stick his dick somewhere I have been dreaming about for ages – I'd almost be disappointed if he wasn't just a little cocky, so to speak.

Finally, after a bit of messing about with lighting and make-up, they're ready to shoot, and I settle back in my chair for the show. And I don't have to wait long. As Paul yells 'shoot', Mark morphs into my 2nd year maths teacher, glasses perched at the end of his nose, and Holly fulfils all my fantasies at once when I hear her purr something along the lines of, "How dirty do you want me to be, sir?" I have to be honest, I'm never a huge fan of porn dialogue *[Who is? – Ed]*, but Mr Sloan has everyone in the room creasing up with his dirty-old-man routine, playing the part perfectly, and I have to admit that this script is pretty damn funny!

Once all the chat for the intro is out of the way, we're told we have to move for the 'sex bit'. I don't ask why, I just hurry downstairs to the new location to find myself a good spot, which I do. As soon as the cameras start rolling again, Holly virtually pounces on Mark – whipping his knob out in the blink of an eye, and gobbling it down like a good 'un. I shift uncomfortably in my seat as my first boner of the day decides to make an appearance. Great.

After chomping on his cock for a while, Mark strips her shirt off and tells Holly to lie back on the table, before doing what we'd all like to do; peeling her knickers to one side and sucking on her juicy pussy. It may sound a bit weird but I'm not afraid to admit I'm all but salivating at the sight! As Mark replaces his tongue with his dick, my hard-on begins to throb. Not least because I can not only see the couple fucking away clearly from where I'm sat, but I also have a nice view of the director's monitor, featuring a perfect close-up of Mark pumping in and out of her soaking wet fanny.

It's at this point the cameraman changes position and stands directly in my line of vision, making me miss (I realise later) Holly's anal debut. I can't move for fear of making a noise and ruining the scene and my neck just won't crane far enough to see a thing. Grrr!

But luckily it's not too long till Mark pulls away and sits down in a nearby chair, beckoning Holly to lower herself onto his cock which at that moment resembles a flagpole in his lap. As she complies and pulls off her bra, revealing her beautifully pert tits and bullet-like nipples, I realise two things; a) he's about to do her up the arse and I can see this time, and b) I've been holding my breath and am now feeling a little light-headed. Shaking the latter off, I mentally slap myself and focus on what's happening in front of me.

Holly straddles him in a reverse-cowgirl, lifting her skirt to reveal her almost-shaven haven, and I see his member slowly disappear into her arsehole. Holly yelps as he does and I can't help but wish again that it was my prick she was bouncing up and down on. By now Holly's moaning and groaning loudly with obvious delight, and as Mark pulls her legs up and back, cramming his fat cock into her tight arse, I get the distinct impression she's having a whale of a time. I can't help but look at her tattoos and realise that I'm torn between trying to identify her ink and watching as her backside as it does a spot of sword-

"Mark pulls her legs up and back, cramming his cock into her tight arse."

swallowing. Focussing on the bit I feel most readers would be more interested in, I make a mental note to ask her about her tats later for my own benefit. I then forget instantly, as Mark removes his slippery dick from her twinkling bum and prepares to move his fuck buddy into a new position.

After stripping her skirt off, she lies back on the floor and Mark grabs her legs, lifting them up in the air so he can pile-drive her. Pulling her legs apart so he can screw her even deeper, he pummels her with his meat, beads of sweat running down his forehead. Almost screaming now, Holly starts to come

"Mark grabs her legs, lifting them up so he can pile-drive her..."

as he continues to pump away furiously, almost pulling her up onto her shoulders in the process. Everyone in the room can sense the build-up – the only surprise is that Mark can hold on for so long. I guess that explains why he's such a busy stud! Finally he pulls out and sprays his wad all over Holly's face, covering her glasses and mouth, and almost making me come in my pants in the process.

My mouth is dry and I realise I've had it hanging open for the last couple of minutes. Paul shouts, "That's a wrap, well done everybody!" and the crew immediately begin to turn off lights and disappear. I look back at Holly as I follow them all out to get a cup of tea and am pleasantly surprised to see that she's still lying on the floor, smearing Mark's spunk into her perky, erect nipples.

I'm disappointed not to be able to stick around for the next shoot – especially seeing Paige all done up in her uniform, her huge boobs practically bursting out of her shirt! That girl would look hot in a bin liner. But I'm happy with my lot. Holly's first on-screen arse-fucking will remain in my wank bank for quite a while yet!

After congratulating her on an amazing scene (while feeling a bit of a brown-nose in doing so) and saying my goodbyes, I make my way down the drive and bump into Clarke Kent, who's just arriving to shoot his scene with Miss Ashley. I've met him a few times now and I can honestly say he gets all the luck – every time I see him he's off to fuck another horny starlet – or possibly two. No wonder the guy's always got a grin on his face!

When she turned up for this shoot, Ginnie was so busy tapping out messages on her phone to her mates that at one stage we thought we were never going to be able to get her out of her panties. But it turned out it was all part of her plan…

"I've been sending dirty messages to a couple of boyfriends. They both know I'm here for this shoot and they promised to get me in the mood! I love sexting like that – it always gets me feeling extra horny, and now that I'm raring to go, I'm all yours!"

Hmm, well, it sounds like a good enough use of new technology to us – although if we were the boyfriends involved, we'd rather be here watching her than swapping badly spelt messages with Ginnie over the phone.

"That's probably true – but they know I'll be making it up to them over the next couple of nights!"

Oh, well in that case, perhaps they are best placed after all!

SCREEN TEENS!

Our serial tugger O-Real rounds up the best of recent teen-themed releases. He won't give us the DVD's back though, oh no...

Badass School Girls 5

(Adam & Eve)

Brr, well, it's been a couple of months, so I think I'll ease myself back into the world of teenie porn flick reviewing by starting off with one of our American cousins' glammier offerings – kicking off with Nicole Aniston, who's trying to sell cookies to a bloke who looks like Michael Stipe. He's reluctant, but a bit of dick-sucking soon changes his mind. She's a lovely looking girl, but it all seems a wee bit sterile for my tastes. Busty Britney in the next scene's a lot more vocal, though, and for the most part the girls do their best, but I don't know – sometimes these films with really pretty girls in never really catch fire, do they? Still, Ash Hollywood looked nice in her specs...

French Euro Teens

(Private)

The French have given us Brits plenty over the years, haven't they? – onions, plonk, somewhere handy to fight our wars, but this time they're treating us to the sight of a slew of horny young flampers getting pronged every which way. Yes, admittedly this is something of a compilation, so if you're a real porn hound you might well have seen the scenes on offer before, but the chances are pretty slim... as are all the horny mesdemoiselles on display. The first scene, featuring a dark haired girl with the thoroughly unFrench name of Katayana, is marred a bit by the intrusive music, while a stylishly periwigged second has the Blue Danube Waltz blaring away! Oh dear, I'd more or less had enough by this stage, and when the third scene started cranking out some sort of Techno Gregorian chant I was off...

Young Harlots Carnal Education

(Harmony)

Always worth looking out for, the latest Young Harlots title, so I didn't waste much time in slotting this one into the machine. Nicely boobed Nicole Sweet's first up, getting a poetry lesson from Tony De Sergio. He's soon playing with her norks and feeding his cock into her gob, though, before he drills her on the couch. Some nice camerawork here, as there is in the second scene, in which Avril takes a poking from the new head of English. Black chick Kit's next into the breach, but it's the penultimate scene, in which Coco Charnel gets to grips with a couple of cocksmen, that really raises the bar. She's a stunner, with wonderful tits and a passion for cock, which she gets to satisfy fully, the horny little minx!

Anal Finishing School 3

(Adult Channel Uncut)

Well, we've had a set report already, but what's the whole film like? First thing to say is that it's got a cheeky sense of humour, which becomes evident from more or less the very first frame as Mark Sloan coughs and splutters on a fag. Luckily Holly D pitches up for her 'Wife Lesson' in chilling beer and, erm, taking a frantic anal dicking. Amusing and rude, it's a strong opener, and the pace doesn't let up one iota in the next, in which Isabella distracts her geography teacher by offering up her arse to him. Needless to say, he makes full use of it, and from there on in it's a bum-tastic selection of flampers in uniforms getting poked up the wrong 'un, with more than enough pile-driving to keep the perviest of raincoaters happy!

Dirty Little Club Sluts

(Harmony)

You'd think we'd start off in some sort of nightclub with this one, but no – it's Megan Coxxx's pre-club routine that gets the balls rolling. She puts on her lippy, moisturises her legs, and then plays with her lovely cunt! Then the sex toys come out – before we're whisked forward an hour or two and she's sucking some stranger off in a club! Well, her 'boyfriend' doesn't seem to mind too much about this whorishness, and to prove the point her prongs her senseless right in front of all the clubgoers once she's finished her first liaison. Thereafter we're treated to a veritable pornucopia of young lovelies getting poked left right and centre, with Lou Charmelle deserving a special mention in dispatches for the cracking double dicking she takes. Top stuff.

Cuties 2

(Elegant Angel/yourchoice.co.uk)

No-nonsense boy/girl gonzo is the order of the day here, which means the film could be crap or worth a second spin. Red-headed covergirl Marie McCray kicks things off with a little bio in which she raves about the porn business (which she's been in for 3 years, so she's not strictly a teen!). Then we cut to the chase, and her tight pussy's soon being well and truly stretched by her stud's todger. It's a nice opener with a great facial to end. Jessie, the next girl, is just 18, and still looks a bit overwhelmed by being fucked, frankly, but she stays the course (although she does look a wee bit bedraggled by the end). More cuties follow, with quite a few pubes among them, in what's actually a very pleasing flick. No anal, mind…

A Girl's Best Friend 3

(Girl + Girl)

Talk about lo-fi! This one looks like it spent about 10 minutes in post production, but I guess we're not exactly looking for the next *Avatar*, are we? A couple of Eastern European flampers miss a tram, and then inexplicably end up round at some dude's flat – where he offers them a big sausage and a cucumber to eat. Then out comes his big swinging cock, which they fondle for a while before tucking in. Both girls end up 'trying anal' before they're done in an almost laughably amateurish opener. A couple of girls wank themselves and each other off with candles next, before a pretty brunette gets her backdoor kicked in a pole-dancing club. Probable highlight is the DP in the final scene, but this is mostly very standard fodder indeed.

Ripe For Tasting 2

(Viv Thomas)

Say what you will about Mr Vivian Thomas – he knows how to organise a golf tournament. Oh, and he also knows how to crank out top notch scruff when he puts his mind to it, as this little offering attests. It's an all girl affair, with five scenes featuring some of the cutest girls in the business this side of the Atlantic. Viv's clearly got a bit of a soft spot for the site of horny young flampers rimming each other while they poke their fingers into each other's quims, and I have to say, it's an easily acquired taste. Top scene is probably the very last, in which the ultra-horny Zafira (aka Beth) goes head to tail with Cindy Hope. It doesn't get much better than that, folks!

A drama student, eh? Does that mean that one day we'll be seeing Mia on our screens in something, rather than in our magazine… in nothing?!

"Maybe one day, although for the time being I'm more interested in doing theatre stuff, and also maybe teaching…"

So what attracted you to a life of treading the boards?

"Well, I guess I've always been a bit of a show-off. I just love being the centre of attention, and there's nothing better than the feeling you get when you know you've pleased an audience!"

To be honest, we'd already twigged that you liked showing off a bit – and we're delighted that you've decided to show off that juicy little pussy of yours in our magazine! And for what it's worth, we're pretty sure you'll go down well with this audience. In fact I'm sure a lot of them will be only to happy to give you a standing ovation!

Last time we hooked up with Jessica here she wasn't too sure what course she'd end up on, so we were keen to know if there had been any developments.

"Yep, I've just started my first year studying design at a local college – it's way cool, too!"

Design, eh? So what sort of thing do you end up designing, then?

"Oh, it could be anything – something like this bedding, say, or books and magazines, or maybe websites. It's early days, and I haven't worked out what sort of thing I want to concentrate on. Besides, there are so many distractions at the college at the moment that the actual design part takes up very little of my time!"

Really? Like what?

"Well, they have loads of bands playing, and there's a great bar, so I spend most of my time hanging out there, looking for boys. So far I've been lucky, but there are plenty more out there to get through this term!"

Well we're sure your parents will be pleased to hear you've been getting your head down a bit this term!

CHERRY PIE

A TEENIE CHAMBERMAID? AIMEE SOUNDS LIKE OUR SORT OF GIRL, AND THAT'S EVEN BEFORE SHE TELLS US ALL ABOUT THE TIME SHE LOST HER CHERRY...

I'm an 18-year-old student and I work part time at a large, posh hotel as a maid to get me through Uni. Part of my job is to go around the rooms in the evenings to turn down the guests' beds and leave a complementary chocolate on the pillow. The guests are usually quite nice and sometimes I even get a tip, but tips are absolutely nothing compared to the gift one of the male guests gave me a few months ago – my very first fuck.

I was about half way through my rounds when I walked in on a really hunky bloke who was wanking to the porn on the telly in his room! I was so shocked I let out a little gasp and instead of backing out of the room immediately, I was frozen to the spot and stood there awkwardly.

Totally unfazed, the guy continued to pull at his stiffy and just waved me inside the room. Confused at being caught staring at him, I blushed and muttered an apology, but for some reason – I'm still not sure why – I didn't leave. He was a really fit and attractive and I felt totally transfixed by him.

He told me his name was Graham, and seeing me still standing there staring at his prick he invited me to join him on the bed. I didn't dare tell him that I was a virgin. Sitting beside him, I watched in fascination as he jerked and stroked his cock. By then I had become really excited and I couldn't resist reaching out to touch it. It was longer and thicker than I'd imagined a penis to be (I'd only seen them in pictures until then) and I felt a tingling in my pussy as I wrapped my hand around it.

He grinned knowingly at my flushed, gob-smacked face, before pushing me back onto the bed and kissing me hard, burying his tongue down the back of my throat. His hands moved across my breasts and my nipples hardened as he groped them through the thin fabric of my uniform. I kissed back, knowing full well that this was going to go further than any of my previous fumblings with inexperienced boyfriends. I was actually going to lose my virginity!

Casually he pulled off my dress, dropping it carelessly onto the carpet. In a flash, he removed my bra, and flicked his nails across my nipples before pinching them to hardness. Moving down my body, he brushed his fingers through my pubes, before fingering the outer lips of my fanny with a light and teasing caress.

Pulling me onto my knees, he began to rub my cotton knicker-gusset between my legs, grazing my clit with the friction. Soon I was writhing and squirming as my pussy pulsed with pleasure. Graham pulled my panties off and pushed two fingers inside my dripping pussy.

I reached for his cock, wrapping my fingers around it as sticky beads of pre-come leaked from its swollen tip. Graham encouraged me to masturbate him for a while and I rubbed a few times, enjoying its smoothness, before he pushed me back all the way flat on the bed. Then, moving between my thighs, he lowered his face to my pussy and licked the length of my moist slot, his fingers gently parting the folds of my labia and exposing my hardened and sensitive clitoris. I'd never felt anything like it in my life!

Sucking gently at my throbbing clit, he brushed his tongue lightly over it, and I squirmed in helpless response. My clit throbbed and I thrashed my legs as an intense thrill rippled through me. His tongue moved across my slit, making hot, wet circles around my throbbing nub.

First his lips and then his teeth seized and teased my tiny love button, twisting it, then nibbling it so sharply that the fierce sensations sent sparks of blinding arousal to my brain, leaving me breathless and quivering in a flood of ecstatic excitement.

I arched my hips up off the bed to meet his oral assault with my dripping pussy. Then the unmistakable pressure of my orgasm began to build big time, and I heaved my pelvis madly against his face, sending his flickering tongue even deeper into my frantic fanny. I pumped my mound in rhythm with the warmly probing shaft of his tongue as it slithered into my glistening, moistened slit.

Contractions gripped my pussy and I climaxed hard as hell as he licked me to the most incredible orgasm I've ever had. My fingers haven't been enough since!

I'd barely recovered when he ordered me to roll over onto my stomach, telling me quite plainly that he intended to fuck my "juicy pussy".

A tremor of excitement shook my body as I thought of that huge dick pushing deep inside me. I was quite scared that it would hurt or wouldn't fit, but the heat of my passion outstripped any protests my mind might have thought up.

Graham pulled me up onto my knees, raising my buttocks in the air. Grasping my ankles, he spread my legs further and further apart, then he spread my buttocks until he had access to my wet pussy. Stroking my pussy lips, he guided his shaft into position, placing his cockhead against my labia, and pushed it inside, making me gasp. It didn't hurt as much as I'd expected, though, and actually felt really good.

I tightened up all over as he held me still with one strong arm wrapped around my waist, and I felt him push further inside my soaking box, making me moan with pleasure. My pussy quivered and tingled as he drove his knob all the way inside. Then he lunged forward, slamming his cock in and out, as my pussy clenched around his thick meat.

I could feel his cock pushing deeper inside me with each stroke as the friction brought me close to my second climax, as I groaned and panted away.

He paused for a moment with his knob buried in me and my pussy muscles gripped even tighter around his shaft. Now he began to fuck me slowly, easing his meat gently in and out. He reached around to fondle my tits and tease my clit as he repeatedly powered his cock in to me to the base of his shaft and drew it slowly out again.

Then, without warning, he began to piston in and out of my pussy, slamming his full length into me with almost savage thrusts. My breath hissed through my teeth as I felt his enormous pulsing cock throbbing deep inside me. All at once his prick erupted, and his spunk jetted inside me in warm spurting streams. Almost immediately, the tremors of my own climax rocked my convulsing pussy, and I came harder than I would ever have thought possible.

We lay there for a while before I realised I was way behind on my rounds, so I tidied myself up and kissed him goodbye. I never did mention that he'd just popped my cherry – I figured it was for the best. Unfortunately, having such an amazing shag as my first set the bar quite high and I'm still trying to find a man that measures up!

Aimee, Rotherham.

"He spread my legs further and further apart, then he spread my buttocks..."

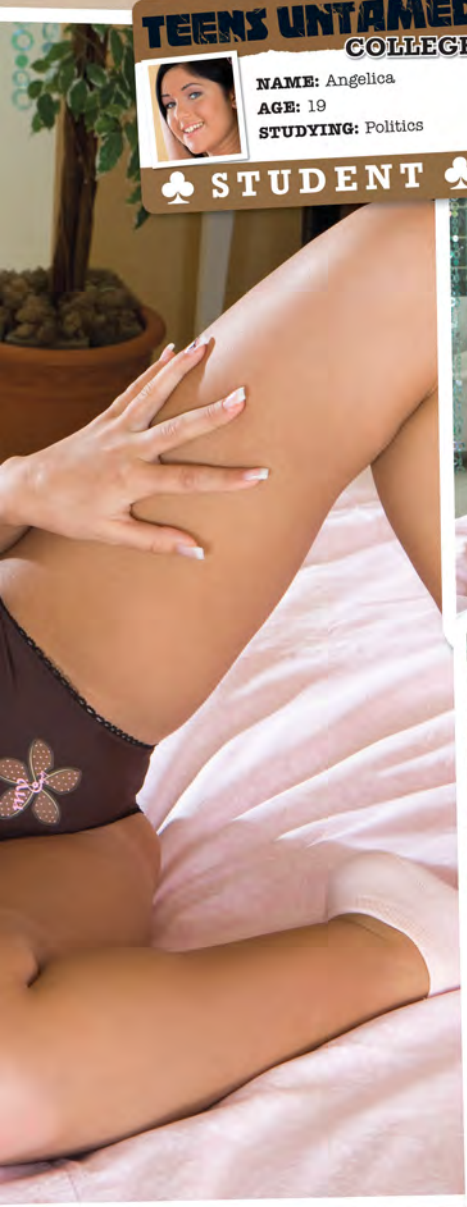
♣ STUDENT ♣



Lancashire-born lovely Angelica isn't the sort of girl to do things on a whim – she likes to think long and hard before making up her mind to do something. Take appearing nude in *Teens Untamed*, for example…

"Yes, I have to admit, it took me quite a while to make my mind up about this one! On the one hand it's my body, and so it's up to me what I do with it, but on the other hand I was very nervous about appearing naked in front of a photographer and the rest of the crew – nobody has ever really seen me like this before except for a couple of boyfriends."

So what swung it for you in the end?

"Well, I think it's important for women to be able to express their sexuality without fear of shame, and so in the end I overcame my nerves and went for it. Oh, and I quite like the idea of loads of guys spunking off over my pictures as well!"

Ah, we're very glad to hear it – and we trust you readers won't hesitate in giving her exactly what she's after!

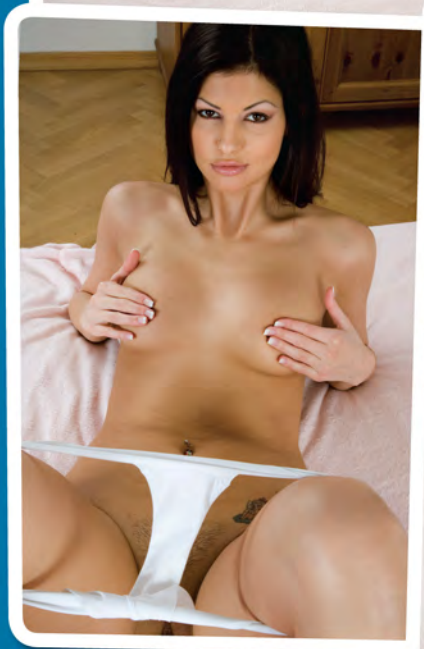
♣ STUDENT ♣



She might call herself Lucky, but we reckon the really lucky ones are the guys who get to spend a bit of personal time with this sexy babe…

"What makes you think it's just guys who get lucky like that?" she purred provocatively, which got us thinking a little bit. So she's more into girls, then, eh?

"Oh, no, I'm more into boys – there's only so much you can do without a nice stiff cock to play with – but once in a while I like to have a bit of fun with one of my girlfriends. After all, licking a pussy can be almost as much fun as sucking on a cock!"

Well we won't argue with you there – frankly we think it's much more fun! But how about a bit of both – has she ever had a threesome?

"Not yet. At the moment it's something I love to fantasise about when I'm wanking, and I'm not sure I want to spoil the fantasy. Then again, it'd be a shame to go through life never fulfilling these urges…"

It sure would!

EMILY

PHOTOS: M. JONES

When we found out that Emily was studying catering we couldn't resist asking her if she'd ever engaged in anything naughty with any foodstuffs…

"I think every girl does, don't they? When you're growing up, you're always being warned to stay away from nasty boys and their cocks – but nobody every tells you that you're not allowed to play with a banana or a cucumber, do they? So it's only natural that a girl's first experience of sex often involves some sort of food!"

Hmm, that sounds rather likely, now we think about it. Shame there aren't any fanny-shaped vegetables for lads though, isn't it? So Emily's fairly well acquainted with the pleasures of bananas and cucumbers, but is there anything else edible she's had her wicked way with?

"Sure – I once had a girlfriend who wanted to lick honey off my honeypot, and I was so intrigued by the idea I let her! And as you can see, I adore a bit of cream now and again…"

Ooh, don't tempt us!

EMILY

PARTY POOPHOLE

I have been with my girlfriend for nearly 18 months, and throughout that time I've always been faithful to her. But last month I met a girl called Chloe at a party and we got chatting and quickly discovered we fancied one another.

She was incredibly sexy, probably about 19 – not that I asked – and was tall and slim with full, firm breasts nicely displayed through a low-cut top. Her bum was beautiful and curvy too! Anyway, the wine flowed, and at the end of the night we decided to share a taxi since she said she lived just a mile or so away from me.

The taxi ride turned out to be quite frustrating. We were both itching to get our hands on one other, but we both had too great a sense of decorum to do anything more than kiss and surreptitiously fondle while we made pointless small talk with the driver.

By the time we arrived at her place there was no point in pretending we were going our separate ways. I paid the taxi off, and followed her to her front door, my eyes fixed on her bottom, which swayed alluringly in front of me. Once inside we didn't waste any time. I got her dress off in a matter of seconds, and we both gasped as our hands simultaneously groped for one another's crotches – mine bulging, Chloe's soaking.

"Oh God!" she gasped as I slipped my fingers into her knickers and set about her hot, wet snatch with vigour. We were both already close to coming, and I knew that the first phase of this session wasn't going to last much longer. After a few more strokes she came explosively all over my hand, her juices dribbling over my fingers and down her legs, and she gasped as her body was wracked by wave after wave of inexorable spasms.

"I want more!" she gasped as her orgasm gradually began to subside. "Let's go upstairs, and have some more!"

I liked the things she was saying but I wasn't convinced I could make it upstairs without coming in my pants. I'd never been so turned-on before in my life. I scurried after her, half running half crawling, getting a great view of her arse and snatch as she climbed the stairs in front of me.

Once we got to the bedroom, we changed down a gear. I regained my composure, threw her down onto the bed, and ripped her knickers off with a single, determined stroke. Next I sank down onto my knees and buried my face in Chloe's gorgeous, hairy little cunt, teasing her lips before poking my tongue up her hole until she was right on the brink again.

But I wanted to go further. I had my prick in my hand and was just about to fuck it into her cunt when I had a better idea.

Chloe was breathing heavily, and there was a look of wild lust and confusion in her eyes as I thrust first one then two fingers up her bottom as I slowly lubed her up. After a few preliminary strokes I pulled my fingers out of her, and moved myself over her body. I could feel the lovely round softness of her buttocks under my tummy as I fumbled with my cock, seeking out her tight, slippery arsehole.

"Oh fuck... oh my God, just go for it," she gasped as she felt my bell-end connect with her ring, and I shuddered with excitement.

Chloe reached under herself and started to stimulate her clit as I persevered with her arsehole. I thought I'd never manage it, it was just so tight, but eventually I heard Chloe squeal as my cock crossed the threshold. I waited a little while, trying to get my breath back, and then fucked my cock ball-deep into her bottom with one mighty thrust, making Chloe cry out again and I wasn't sure if it was due to pleasure or pain.

Then that was it. I was almost out of control as I fucked her up the arse. I grabbed her shoulders and went for it, fucking her harder and faster with each stroke. The pressure on my cock was unbelievably intense, and I knew I wasn't going to last long. But neither did Chloe. She screamed at me, telling me what a dirty bastard I was as she came yet again. I could feel her hot love juice gushing out of her cunt and onto my balls as I continued to pump her for all I was worth.

In the end I couldn't last any longer, and it was time for the grand finale. I couldn't decide whether to come in her bum or whether to pull out and hose down her buttocks, but in the end Chloe made the decision for me. She shoved me off her just as I was about to spew my goo, and went straight down on me, taking my twitching cock in her mouth just as it began to squirt.

My orgasm seemed to go on forever, but Chloe had no problem in gulping down the whole lot, sucking hard on my cock as it siphoned the contents of my heavy balls down her throat. I left shortly afterwards and never saw Chloe again. It's a pity because sex with my girlfriend will never be quite the same again.

Ollie, Chester.
